

## COUNTY COMMISSIONERS' MEETING

Official Account of Their Proceedings in Session Last Week.

The board of county commissioners met Tuesday, Oct. 2nd, pursuant to adjournment; members present: J. R. Walker, chairman, J. Mendel, Wm. H. Sharpe and J. N. Waller, with A. A. Stewart as clerk and J. P. Brown as sheriff.

The following business was transacted, to-wit:

The minutes of the previous meeting were read and confirmed.

The road from Banyan to Tropic as viewed and laid out was declared a public road.

The road from Edgartown to Sanders' place, as viewed and marked, was declared a public road.

The road from White City, as viewed and laid out, was declared a public road.

The road from Jennings place to W. F. Richards' place, as laid out and viewed, was declared a public road.

The road from Mosquito lagoon to Indian river, as viewed and laid out, was declared a public road.

A permit was granted to James Dodge to carry a Winchester rifle, No. 10077, caliber 44.

The cost bill of the extra session of the circuit court, amounting to \$13.50, as paid out by the clerk of the court, was examined and approved.

It is ordered that R. A. Conkling be empowered to fix up the lighter at Turkey creek and put the same in good condition with as little expense as possible.

As there appears no objection to declare the road from Mims to S. Ellis' house, to be again a public road, the same is hereby declared a public road.

On motion the report of C. F. Conkling, a justice of the peace, having collected \$6.00 and turned the same over to the county treasurer, the same was examined and approved.

It is ordered that J. Mendel inform all justices of the peace, section 2, laws of 1895, that they are required to make a full report of their actions of every month to the board of county commissioners.

J. N. Waller was appointed a committee to collect the amount of the note of the town of Titusville that they owe to Brevard county.

The road report of T. J. DeSteuken and J. N. Maddon was received and accepted and notices ordered to be posted according to law.

As it has been proved to the board of county commissioners that Mr. H. B. Howard has placed a large quantity of logs in Sebastian river just above the bridge, thus endangering the safety of said bridge in case of high flood, it is resolved that said H. B. Howard be ordered to remove said logs at his own expense and be held responsible for any damage to said bridge caused by these logs until they have been removed.

The road report of J. O. Fries and C. D. Flood was received and accepted and notices ordered posted according to law.

The road report of J. O. Fries, B. J. Stewart and C. R. Stewart was received and accepted and notices ordered posted according to law.

The road contract and bond of T. H. Richardson for contract No. 12 was accepted.

The objections filed by the Protestant Episcopal church at Eden against a change of county road was this day withdrawn.

The bond of W. H. Cresson for notary public was examined and approved.

Wm. Smith was placed on the pauper list at \$5.00 per month.

The road report of superintendent of roads was received, examined and approved.

The county judge made his monthly report of licenses issued during the month of September, which was examined and approved.

The county treasurer made his monthly report on the different funds of the county, which was examined and approved. J. N. Waller and Wm. H. Sharpe were appointed a committee to destroy the warrants turned over by the treasurer. The committee having done so were discharged. The treasurer also had a certificate attached to his report showing that the balances were deposited in the Indian River State bank.

Mrs. M. C. Johnson was dropped from the pauper list.

Wm. Davis, a pauper, had his monthly allowance raised from \$6.00 to \$8.00 per month.

The protest of C. O. Jameck against road to Jensen was received and filed.

Petition of J. H. LeTourneau, et al., to open road known as Tick Ridge road, was received and referred to superintendent of roads to take such action as he may deem necessary.

It was ordered that \$300 be transferred from the fine and forfeiture fund to the feeding prisoners fund.

Whereas, it appears that the interest of the public will be subserved by a modification of road contract No. 25, so as to allow the making of corduroy over certain portions of the 7 mile slough instead of embankment, as the contract now provides for; and it appearing that such modification has been consented to by the contractor, it is therefore ordered that such modification be allowed under stipulation to be fixed by the superintendent of roads.

The list of polls collected by the collector during the month of September was examined and approved.

In the matter of a road from Rattlesnake gap to the F. E. C. railway, the

board appointed E. E. Swinson, J. P. Sawtelle and J. O. Fries to mark, view and lay out the same and make their report to this board the first Tuesday in November.

The board adjourned to meet again in special session October 15, 1900.

"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa. "I thought I should surely die, and tried a dozen different medicines but all to no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and three doses relieved me entirely." This remedy is for sale by B. R. Wilson & Son.

Amelst Smith died at the Hotel Arno quarters, Tampa, recently from poison administered by her own hand.

## IT HAPPENED IN A DRUG STORE.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by B. R. Wilson & Son.
